The following comment is to be noted regarding the file record:

In the Office action of 2/26/01 (Paper 15), at page 2, the rejection of claims 66, 70, 79 and 86 stated under 112, second paragraph should have been stated under 112, first paragraph. The examiner's discussion of these claims indicates that the issue was a new matter, rather than an indefiniteness rejection.

In any event, applicant's amendment of 3/12/01 has cancelled the above claims, as well as all other rejected or objected to claims. The application has thus been allowed.

Any inquiry concerning this communication should be directed to David A Saunders at telephone number 703-308-3976.
